
SOLUTIONS 30 SELECTED BY ORANGE POLAND AS A PARTNER FOR MOBILE NETWORK EXTENSION

Solutions 30 Wschód Sp. z o.o., a subsidiary of Solutions 30 S.E. was selected by Orange Poland as partner for rolling out its mobile infrastructure. Orange Poland is a major operator on the Polish market, continuously expanding its mobile services and preparing for the upcoming next generation mobile technology. Solutions 30 will support Orange Poland in the central part of Poland, extending the current relationship, centred around the maintenance of existing clients and the deployment of fiber-based broadband internet, to a new strategic activity on the Polish market.

This contract marks a big step in the development of Solutions 30 in the Polish market and confirms the relevance of the strategy of Solutions 30, which is gaining ground in new fields and new geographies with significant potential.

Wojciech Pomykała, CEO of Solutions 30 Poland, states: *"We are very pleased with the possibility to extend our cooperation with Orange Poland, our strategic partner, to another area, especially because this is the first contract concerning mobile network technology for Solutions 30 in Poland. I am convinced that the confirmed quality of the relationship between Orange Poland and Solutions 30 will open new areas of cooperation in the future."*
